

Broker Guide to Borrower Appraisal Delivery Retrieval

As a result of the ECOA Valuations Rule, REMN Wholesale will provide a copy of the appraisal(s) and written valuation(s) to borrowers.

This document is intended to provide brokers with a guide to answer potential borrower questions regarding the documentation retrieval process, which involves **FOUR EASY STEPS**.

STEP ONE: The borrower will receive an email notification from Blitz Docs. Upon receipt, click on the link within the email to access the documentation.

STEP TWO: After clicking on the link the borrower will be brought to an authentication screen. The borrower will be required to enter the last four digits of the primary borrower's social security number and then click **Next** to continue.

The screenshot shows a web interface titled "Document Center" with a "Help" link in the top right. Below the title is a navigation bar with buttons for "Login", "Overview", "Consent", "Electronic Docs", "Action Items", and "Summary". The "Login" button is highlighted. The main content area has a blue background and contains the following text:
