If the debt was identified through CAIVRS, REMN WS must contact the creditor agency using the contact phone number and debt reference number reflected in the Borrower's CAIVRS report. ➤ If the creditor agency confirms that the debt is valid and in delinquent status as defined by the Debt Collection Improvement Act, then the Borrower is ineligible for an FHA-insured Mortgage until the Borrower resolves the debt with the creditor agency. ➤ REMN WS may not deny a Mortgage solely on the basis of CAIVRS information that has not been verified by REMN WS. If resolved either by determining that the information in CAIVRS is no longer valid or by resolving the delinquent status as stated above, the Mortgagee may continue to process the mortgage application. <p>Resolution</p> <ul style="list-style-type: none"> ➤ In order for a Borrower with verified delinquent Federal Debt to become eligible, the Borrower must resolve their federal non-tax debt in accordance with the Debt Collection Improvement Act. ➤ The creditor agency that is owed the debt can verify that the debt has been resolved in accordance with the Debt Collection Improvement Act. <p>Required Documentation</p> <ul style="list-style-type: none"> ➤ REMN WS must include documentation from the creditor agency to support the verification and resolution of the debt.
