Proof of improvements are required. Proof of purchase is required as evidenced by final CD from the property purchase. In instances where one appraisal is required, the CU and/or LCA score must be reviewed. If the CU and/or LCA score is less than or equal to 2.5, no additional appraisal review products are required unless otherwise specified. If the CU and/or LCA score exceeds 2.5, there is no CU and/or LCA score, or the risk flag is high: an additional valuation product may be required; *See full guidelines for complete valuation requirements For each transferred appraisal, the following criteria must be met: ▪ A copy of the appraiser's current license, to be independently verified by REMN WS ▪ A copy of the appraiser's current E&O Policy with sufficient coverage name the appraiser as insured ▪ If the appraisal is a transferred appraisal, the AMC must provide an assignment of appraisal to REMN WS.
